BRICK PROJECT

The first part of the Brick Project is complete! Now, it's time to work on the rest of the project. That's where you come in...

If you missed your chance to order a brick, now is the time! We have launched the 2nd phase of the Kianu Brick Project. We will be accepting orders through Homecoming—October 18th. The sooner you order, the sooner you will see your brick adorn the entrance to the Kianu House. Bricks are still only **\$60 a piece**, including your own personal inscription. So, what are you waiting for?
